

**Second International Slope Stability in Mining Conference  
Perth, Western Australia, 26–28 October 2021**

**COPYRIGHT PERMISSION AGREEMENT**

The Author named below wishes to contribute a paper (referred to as “the Work”) for the Proceedings of the Second International Slope Stability in Mining Conference, published by the Australian Centre for Geomechanics (“ACG”).

The Author confirms that he/she is the sole owner of all copyright in the Work (including diagrams, images, etc.) and is able to enter into this agreement in relation to the copyright in the Work. The Author confirms the Work (entirely or partially) has previously not been published, and is not currently submitted elsewhere for publication at this time.

The Author hereby grants a non-exclusive licence for all copyright in the Work to the ACG including the worldwide non-exclusive right to publish the Work in all mediums and languages including, but not limited to: hard copy, electronic, Internet and CD/DVD formats.

*\*Please note that only one author is required to sign this form. \*Please submit electronically*
